Education

University of California, Berkeley: Data Science (Domain Emphasis: Economics) | 2021

- Activities: California Actuarial League (CAL), Livingwater Passion Fellowship, IM Volleyball

Experience

WTW: Actuarial Analyst | Aug 2021 - Feb 2023

- Managed insurance data of 50+ clients ranging from hospital / professional liability to workers compensation using SQL and Excel.
- Quickly adjusted to multiple colleagues' templates and efficiently balanced time of 20+ clients during busy seasons (1 month span)

AON: Commercial Risk Actuarial Summer Intern | 2020

- Generated reports and analyzed historic losses to provide fiscal recommendations for following fiscal year for 17 clients
- Measured COVID-19's impact on clients with the Frequency & Severity Method
- Collaborated with other interns across the country to generate a marketing campaign to highlight Aon's inclusion and diversity within the internship program

California Actuarial League: External Vice President | 2020

- Drafted partnership packages and fundraised \$10k with 10+ corporate sponsors
- Retained club's regular activities during COVID and still maintained membership participation
- Served as liaison between club and recruiters, alumni, and other professional recruiters

Lyft: Actuarial Summer Intern (Inaugural) | 2019

- Established Lyft's Actuarial Quarterly Report template
- Utilized R to compile data of relevant industries as a comparison to ride-sharing
